Mary B. Givens, colored, and Georgiana Lucas, white, arrested by Officer Young for disorderly conduct on complaint of a colored woman, who had summoned two white women as witnesses, were fined \$2.50 each as were also the plaintiff and witnesses, it being manifest to the court that it was a general row.

James Clift, arrested by Officers Young and Beach for being drunk and disorderly, forfeited \$5 collateral, and John Hughes, arrested by the same officers for a similar offense, was fined \$2.50.

August Idenson, arrested by Officer Young for escaping from the work house, had fifteen days added to his sentence.

Night Report.—Last night was cloudy, with rain about 2 o'clock. There were thirteen prisoners at the station house.

DISURBANCES ON KING STREET.—Yesterday was an unusually quiet Sunday hereabouts until between five and six o'clock, when King street became convulsed by a row between a young white man and three young colored men named A. T. Pride, Edward Shepherd and John W. Pride. From the evidence in the Police Court this morning it seems that the three colored men who are natives of Lynchburg, but employed in Washington, were on their way to the boat, and when between Columbus and Washington sts. one of the trio said something which the white man who was on the opposite side of the street, construed as insolence. He approached A. T. Pride in a menacing manner, and according to the latter's statement, jostled him and acted as though he was about to draw a pistol. At this juncture Pride struck him a heavy blow on the left side of the face with the metal handle of a walking cane. It is alleged that Pride's two companions then took a hand in the affray, during which the white man obtained possession of his first assailant's stick and broke it over his head. The combatants, both bleeding profusely, were taken to the station house and later the other two colored men were arrested. This morning Mayor Strauss fined the principals \$7 each and the other two \$5 each, it being proven that one of them had a rock in his pocket and that both were guilty of disorderly conduct in aiding and abetting the row.

Mr. A. B. Hines has sold to Mr. John Miller four acres of land with cottage thereon at Ballston for \$2,400.

Several members of the Traction Railroad Company, of Baltimore city, have been inspecting the cars and road of the Washington and Arlington Company with the purpose of purchasing the road and extending one branch to Falls Church by way of Ballston, and another from Arlington to Alexandria city.

DR. BILL.—This merry comedy announced for the Opera House next Wednesday night tells the story of a fast young doctor, who from the irregularity of a Bohemian life in London which made him the intimate companion of the theatrical profession, steps with a big legacy into the bosom of a respectable family, loving a rich young wife well enough to forswear his old sports, and retire to private life. A meddling father-in-law, who hates idleness, nails a sign to the physician's front door; sends circulars all over London; makes him the hero of a puffing newspaper item without his knowledge, and, as a result, up jump several of his old companions to make things lively for him.

ENTERTAINMENT.—A musical and literary entertainment will be given at the Opera House to-night for the benefit of the Relief Hook and Ladder Company. The committee on public property of the City Council have recently made extensive repairs to the truck company's house, and the proceeds of the entertainment to-night are to be applied toward fitting up the hall. The entertainment which is to be of a musical and literary nature, promises to be interesting, and all who attend are assured of an evening's enjoyment. The Musical Association of this city and the Washington Concert Company are to participate. Following is the programme:

CORNER-STONE LAYING.—The cornerstone of the new St. Cyprian Church, at Thirteenth and C streets, southeast, Washington, was laid yesterday afternoon, with appropriate ceremonies by Cardinal Gibbons. The event was made quite an affair in East Washington, where the Catholic church is rapidly strengthening in numbers. A parade was formed at the City Hall in the afternoon under the supervision of Chief Marshal John H. Buscher, and at three o'clock, accompanied by a number of bands, proceeded to the site of the church. A number of persons from this city attended the ceremonies.

AFTER GUNNERS.—It being against the law for persons to leave their premises armed on Sunday, orders have been issued to arrest all persons found with guns in the city on that day or within a mile of Alexandria. This procedure has been deemed necessary from the fact that the excessive shooting in the environs of the city on Sundays has become not only a nuisance, but dangerous. The city has jurisdiction one mile beyond her limits, and it is the purpose of the authorities to see that the above law is enforced. The penalty for an infraction of the statute is \$20.

ALEXANDRIA'S BLOODED STOCK.—Mr. James Patterson's race horse "Bob Lee" and "Westmoreland" won races last week at Lewinsville, Fairfax county, and at Marlboro', Prince George's county, Md. "Dervish," a fine race horse, which Mr. Patterson valued at \$5,000, it will be remembered, died a few months ago. This animal was a half-brother of "Directum," an equine with a record of 2:07.

BICYCLERS.—The Alexandria Bicycle Club yesterday made its first run to Fairfax Courthouse under Capt. Davis, by way of Falls Church; time 3½ hours. The following members made the ride: Messrs. John Strider, Ed. Brown, Ed. Mills, Wear, Clark, Kramer and Ed. Hammond.
